The Superior Court Statewide Conciliation Program will be available to litigants in Essex, Middlesex, Norfolk and Worcester Counties beginning on January 19, 2021, and will be expanded to other counties later in 2021. Experienced trial attorneys from the American College of Trial Lawyers will serve as neutrals. Participation in the conciliation program is voluntary and offered at no charge to litigants. The program will be administered by the Essex County Bar Association.

If you have a Superior Court civil case pending in Essex, Middlesex, Norfolk or Worcester County, simply request a referral to the program from the session clerk or the judge. A referral request form is also available on the Superior Court website.
